

Miller Revolution™ Vertical Climbing Harnesses

Models: 1014808 (R7), 1015604 (R8), 070068

Description

Revolution full-body Integrated Waist Connection models allow for multiple connection methods. The ladder attachment point at the waist (specific models only), allows for a relaxed climbing position, creating a smooth system operation during vertical climbs (for use with rail, ladder & cable systems); prevents system lock-up.

Materials

Techweb:	Polyester/Nylon
Webbing:	DualTech™
Elastic Keepers:	Polyester, Nylon, Lycra
Thread (Stitching):	Polyester
